

THE FORGE

COHORT ONE

SEPTEMBER — DECEMBER 2026

FOUNDING INTAKE

BUILD A BODY THAT *serves you.*
BUILD A MIND THAT *doesn't panic.*
BUILD HABITS THAT *survive difficult days.*

The Forge is a twelve-week journey for men who are ready to become **harder to break** — purposeful training, nervous-system education, controlled discomfort and real brotherhood. You'll leave with the strength, resilience and daily habits to show up as the man your life needs.

01 PHYSICAL STRENGTH

Functional training that builds a body that lasts.

02 MENTAL RESILIENCE

Breathwork, mindset training and nervous-system control.

03 CONTROLLED DISCOMFORT

Cold, breath holds and fasting — challenges that forge inner strength.

04 SELF-DEFENCE & AWARENESS

Practical self-defence, restraint, de-escalation and protecting what matters.

05 BROTHERHOOD

Train. Grow. Struggle. Bonds that last long after twelve weeks.

THE TERMS

- Twelve men only
- No late entry — everyone starts together
- Everyone finishes together
- Founding member of The Forge

A LIFETIME OF CHANGE

The final lesson — pass it on. On the last night you'll write one letter, addressed to the twelve men of Cohort Two: what you wish you'd known, the hope and strength to keep walking. One day, someone will read yours.
